**R.O.C.K.**

Resourceful Opportunities of the Christian Kingdom (R.O.C.K.) is a networking group made up of business owners that are also members of New Bethel Pentecostal Holiness Church, located at 1065 Progress Street. R.O.C.K.'s mission is to provide a network that will create and strengthen the effort of individuals through sessions that will inspire, develop and promote the business owners of New Bethel. R.O.C.K. offers unified support, care, and concern to the ideas of each individual member. The visionary for R.O.C.K. is Mrs. Frances Swinney. On July 15, 2001, she held a meeting with the business owners and the aspiring business owners, to encourage them to combine their efforts, exchange ideas, and promote each other. New Bethel's Pastor, Jerry Swinney, was in full support of his wife's vision and encouraged the group to move forward. One week later on July 22, the first official meeting took place with 26 people in attendance. Although eight of the original members have transitioned, there are 37 current members.

R.O.C.K. members meet monthly to discuss topics, share ideas and conduct workshops that assist in the success of their businesses. In R.O.C.K., you will find businesses that provide Personal Care (barbering, shoe shine, errand service), Senior Care (respite), Child Daycare, Home Improvement, Real Estate and Property Management, Professional Photography, Cleaning Services (automobile, residential and commercial), Education services (child advocate, parenting consultant), CPR & First Aid training, Vending services, Financial Counseling, Tax Preparation, Car Care (maintenance and repair), Notary services, Legal Insurance, and Christian Comedy.

In R.O.C.K., we know that all of our successes come from God, and that He also had R.O.C.K. in mind when He told Jeremiah, "For I know the plans I have for you, declares the Lord, plans to prosper you and not to harm you, plans to give you hope and a future."
