Barack Obama  
President of The USA

## WHY I AM RUNNING

The citizens of Cumberland County are extremely important to me. Because of my combat deployment during Desert Storm, I feel a special connection with our military families. Because of my years in the District Attorney's Office, I understand the concerns of the community and the importance of safety for our families. Because of my experience as a lawyer in private practice, I know the importance of each individual seeking a fair resolution of their case. Because of my work as a volunteer with the United Way, March Of Dimes, the Fayetteville Rotary, the VFW, and the American Legion, I understand the needs of our community
